

Frequently Asked Questions About the WCDS Annual Fund

Why should I give?

Tuition alone does not cover the annual cost of providing a WCDS education to each student. In fact, there is a large gap between what tuition provides and the actual cost of educating students. Strong participation from our school family as well as the community at large is a vital lifeline of support for the general well-being of Wheeling Country Day School, as well as a powerful endorsement of the importance of our work when submitting grant applications and funding requests for specific innovations and improvements to our school.

Who contributes?

Each year, we ask parents, alumni, grandparents, parents of alumni, faculty and staff, the board of directors, and other friends of WCDS to contribute to the Annual Fund. All members of the school community are asked to help reach the dollar goal needed for the budget and to participate in supporting the School. Through the generosity of our extended community, WCDS is able to provide an amazing educational experience for its students.

Can I restrict my gift?

The Annual Fund directly supports the School's operating budget, which touches all aspects of life at WCDS, including programming, staffing, supplies, and buildings and grounds. There are opportunities for targeted giving which we will certainly honor and steward, but we ask everyone consider an initial unrestricted gift to the Annual Fund. If you are interested in supporting a particular area, please contact Luke Hladek, Director of Advancement, at (304)232-2430 or lhladek@wcdsedu.com.

How much should I contribute?

Every contribution is important. We ask all members of our community to support the Annual Fund at a level commensurate with their ability to give and their belief in the School's mission. Dedication to excellence carries a high price, so WCDS urges its families to make the School their top philanthropic priority.

Can my small donation make a difference?

Yes, every contribution to the Annual Fund is important! Each and every gift – your gift – helps to close the gap between tuition and the cost of educating students. Without strong Annual Fund participation, WCDS simply could not be the school that it is today.

How will my gift be recognized?

We will make every effort to recognize our donors as frequently as possible, unless of course the donor wishes to remain anonymous. A physical listing of Annual Fund donors will be prominently displayed on campus and donors will be listed in an Annual Report that will go out to all school constituents. Further, during Celebrate WCDS, our annual dinner and auction, we will recognize donors at various sponsorship levels with specific recognition and benefits unique

to each event theme. Each donation to Celebrate will be acknowledged on a dedicated Celebrate WCDS web page and in a physical program at the event.
